

BAYSHORE SCHOOL in Bayshore City will have after-school supervision in playground activities by Daly City Recreation Department in September.

## Deadline approaching for new Daly City-Colma directory

Deadline for copy and advertising for the new Daly City Directory is rapidly approaching, according to Ramona Birke, who is in charge of the publication.

"We are trying to complete all of the directory this week

so that it can go to press for distribution to 20,000 homes in Daly City and Colma by the first of October," said Miss Birke.

"Our greatest need right now is for service organizations, clubs, PTA's and other groups to get the information about their officers and activities to us," she continued.

The new directory will fill a long felt need for a separate and complete listing of business firms and organizations in the two cities.

Material should be sent to the Daly City Hostess, box 3191, Daly City. There is no charge for club listings.

## Cops cold shoulder fires tavern owner

Len Steuchler, owner of the 12-Mill House in Bayshore City is mad at the Daly City police department already, and the DC gendarmes have only been in action in Bayshore one week.

He says they are not patrolling his establishment, and that they undoubtedly think he is located in Brisbane.

Daly City councilmen promised to do something to assuage the situation.

## Seat belt clinic 'a huge success'

Daly City Jaycees installed over 200 seat belts Sunday and called their first seat belt clinic "a huge success."

Jack Kelly, state director for the group, said Jaycees members at the Serra Bowl fitted 202 belts into cars and could have installed more if time had permitted.

Many people were unable to get belts because of a long wait, Kelly expressed the Jaycees' regrets over the incident and announced that because of the demand a second clinic will be held in November.

## Two injured in falls in Daly City

Two Daly City residents were injured in falls over the weekend.

William M. Tyson III, of 243 Irvington St., broke his left foot when he fell from a ladder about 2 p.m. Sunday while painting the front of his house.

Jaime M. Kubowitch, 54, of 2 Vista Grande Ave., suffered a bruised rib at Theta and Mission streets about 7:15 p.m. Saturday. He was treated at Kaiser Foundation hospital, South San Francisco, for injuries received in the fall.

## Seek fire

(Continued from Page 1) of the Bayshore City Fire District acquired by Daly City in the recent annexation of Bayshore.

The fire district must be dissolved before the Daly City Fire Department can serve the annexed territory.

Brisbane is now faced with providing fire protection to an industrial area east of the Freeway and in the Bayshore Fire District. This is within land recently joined to the City of Brisbane.

Brisbane is seeking a continuation of fire protection in this area until June 30, 1964, and a distribution of the Bayshore Fire District's assets in their favor.

(Continued from Page 1) 40-year lease on the land. The property is owned by the U.S. Army and will cost the district \$160 per year. The money will be taken from the general fund.

**NEW EMPLOYEES**  
In other action, three new employees were approved for hiring by board members. Horace S. Sharp was hired as a part-time custodian and gardener for Jefferson High School; John Elliot as a part-time IBM operator for the district; and Mrs. Ester Turriano as a cook at Westmoor High School.

H. R. Phillips was also approved as inspector for the Terra Nova project.

**ADJOURNED IN MEMORY**  
Monday's meeting was adjourned by Board President Elio A. Fontana in memory of the late Mr. Howard McGill, former head of the Language Department of Westmoor High School.

## 1,300 tots expected to start school

At least 1,300 bright-eyed, shiny-faced youngsters will start a new experience when Daly City kindergarten classes open in the Jefferson Elementary School District Sept. 10.

Parents will enroll their tots Sept. 6 at kindergarten orientation meetings to be held in the 20 schools in the district. School officials say 53 new teachers have been added to instruct the expected 9,500 children who will be starting this term.

A new seven-room unit, Franklin Delano Roosevelt School, Westlake Terrace, will open its doors this year to take care of the increased numbers.

## Family flees apt. fire

"We need help," This appeal was voiced Sunday by Bruce Freeland of Daly City after a fire left him and his family homeless, and without clothing and furniture.

A fire of undetermined origin forced him and his wife, Shirley, and small daughter, Cathy, out of their apartment at 80C Westlake Ave. at 8 a.m.

Quick response by Daly City firemen confined the fire to the apartment, but the television set was melted, the high floor gutted and \$35 worth of paintings, bought by Freeland the day before were ruined. All the furniture and clothing was burned.

The family found four black rooms. "It was a complete disaster. We were lucky to get out with our pajamas on," said Freeland.

A neighbor gave him the shirt off his back. The small girl was left with two dresses, and Mrs. Freeland, who is expecting, lost most of her maternity clothes.

The home and contents were not insured.

Freeland, native of Daly City and Jefferson graduate, in 1957, is employed by Royal Globe Company of San Francisco. The Freelands are now living with parents in San Francisco at 206 Alvarado. DE 3-2187.

## Keep kids in kindergarten say educators

Children should have the benefit of kindergarten before being placed in the first grade of school, say Daly City educators.

Board members and administrators of the Jefferson Elementary School District said Monday that children

should not be moved into the first grade too quickly in spite of legislation enabling some children to skip kindergarten.

Senate Bill 723, enacted this year, provides that qualified children "may be placed in the first grade at the discretion of the administration of a school district if it determines the child is ready for first grade work."

No formal action was taken by the Elementary School District's Board of Trustees regarding the measure. It is to be submitted to the State Board of Education for adoption of rules and regulations Sept. 12 and 13.

In other action by the board: Four teachers and two administrators were hired.

Miss Abernathy was hired as a special music teacher; and Mrs. Virginia Duvall, Miss Sylvia Stevens and Mrs. Karen Kurokawa will join the teaching staffs of schools in the district.

## Christen

(Continued from Page 1) referendum vote of the people in 1956. He asked if the new proposal would mean a raise in taxes.

Mayor Joseph Verducci answered the Callan and Christen properties are two different parcels of land and that he did not endorse the Callan annexation for a number of fiscal reasons.

Mike Walker, 255 Palisades, son of Fred Walker, the man who spearheaded citizen opposition to the Callan annexation, wanted to know if Daly City would get any revenue from the Christen area.

He was answered that sales taxes, and fees from building permits would bring in revenues enough to have it pay for itself.

## JC's meet semi-monthly

The Daly City Junior Chamber of Commerce has announced meetings every second and fourth Tuesday of each month at the Copperwood Lodge, Hillside Ave., Colma. All young men between 21 and 35 are invited.

### Somebody took Big Al's car

The man known as "Big Al" — after Al Capone — had his car stolen Aug. 22.

The police brought it back. They also brought back the teenager who took it.

The loss of the car wasn't so bad, says "Big Al." It was the \$500 in the trunk. The police brought that back, too. "Big Al" is happy with the police.

Victor A. Faglano, who lives at 1184 87th St., Daly City, owns a well-known night spot in North Beach, the Hotsey Totsy Club, which he runs like one of the "speaks" of the 20's complete with Faglano as "Big Al."

On Aug. 22 he was having a hair-cut in a barber shop in Daly City when he saw his car had been taken. He called police.

A few days later it was seen with the teen-ager driving it. The police gave chase.

The boy crashed into a sand bank along the Great Highway. He was arrested.

He never knew there was a lot of money riding just behind him.

### Minor panic over grass fire

People panicked last week when a grass fire, visible for several miles suddenly flared up in the Ardendale Court area of Southern Hills, Daly City.

One resident pulled a fire alarm twice. Another man pulled an alarm.

The San Francisco fire department was called.

Engine two was dispatched to Westlake and Engine One was sent over into Engine Two's territory. Engine Five came to the central station and Company 6 went over to fill for Engine Two. Altogether there were two engine companies and a fire squad at the fire.

### New saleslady of Bill Adams Realty

### DC police officer hurt

A Daly City policeman was injured in a three-car collision at Alemany and Junipero Serra Blvds. last week.

The officer, Alvin J. Nicolini, 30, of 1087 Skyline Dr., Daly City, was treated for a bruised left shoulder and back sprain.

He was driving a patrol car and waiting for a signal light when the collision occurred.

The driver of one of the other autos, Earl C. Loo, 30, of San Francisco, was given a citation for driving at an excessive speed for the road conditions.

Police identified the driver of the third auto as Thornton L. Geer, 33, of 733 Beechwood Dr., Daly City.

Investigators said Loo's auto skidded out of control as he was making a turn into Alemany. The auto hit Geer's car which in turn was shoved against the police car.

### Girls eludes DC attacker

The frightened scream of a 16-year-old Daly City girl scared off a would-be attacker early Sunday morning while she was walking near her home with a girl friend.

Georgette L. Pelaez, of 21 Riset St., told police a man about 25 years old came up behind her, threw his arm around her neck and thrust what felt like a knife against her back.

She said she screamed and the man released his grip and darted away.

Police are attempting to obtain a more detailed description from the other girl.

### Vacuum 9 drops notables 21-1

Lon Ferrari was the heavy hitter with 4 for 4, including a home run, double and two singles. Also Marshall with four hits, and Glammie and Jensen with three hits. This week they play the D.C. post office at Westlake Park.

A three-way tie for first is seen if the Playboys knock over the Internationals this week.

### Big recreation plans for Westlake Bowl

Johnny Swanson, Westlake Bowl owner, has announced the start of extensive modernization plans that will make Westlake the most complete recreation center in Northern California.

To satisfy the demands of many residents of the Daly City area, 12 Brunswick Gold Crown billiard tables will be installed in modern surroundings. Adjacent to the lobby will be found an up-to-date sport shop carrying a full supply of sport equipment and supplies. The third addition will be a 24-hour coffee shop and snack bar featuring an attractive menu with equipment designed for quick service.

Further improvements will include the installation of new restrooms and new carpet throughout the Bowl.

In undertaking this program, Mr. Swanson is taking another step in striving to offer residents of the Daly City area with the best possible recreational facilities.

Originally opened in November, 1958, with 32 lanes, the growth of the area justified installation of additional 20 lanes in August, 1959 making Westlake Northern California's largest bowling center. One of the highlights of the operation is the free child care center. Open from 9 to 4 Monday through Friday, plus Sunday evening, over 50,000 chil-

## Discrimination Here!

Racial problems in the South seems remote to Daly City residents, but there is a real example of discrimination here at home.

It involves the hiring several weeks ago of a colored clerk at the local Walgreen drug store. This nation-wide chain has always operated under the policy of hiring any qualified person, regardless of creed or color. Negro personnel have become store managers.

In this case, an opening had occurred, and a Negro man was hired—he happened to inquire about work and was qualified. He has served four years in the marines, is going to college and shows the intelligence and diligence which Walgreen require.

Since that time the store manager has received a number of phone calls and considerable amount of abuse for hiring this man. Of course, none of these people will identify themselves.

While we do not approve of some of the methods that are being used in various parts of the country to force integrations, we feel that when qualified colored people secure jobs peacefully that the whites should accept them for what they are—responsible citizens. And far from abusing the store manager for hiring a person regardless of creed or color, we should accept his judgement as to the qualifications his company requires of the employee, and perhaps compliment him.

## Daly City marine in Far East

Marine Sergeant John D. Haaland, son of Mrs. C. Haaland of 121 Park Plaza Dr., Daly City, is serving with the Second Battalion, Third Regiment of the Third Marine Division and is currently assigned to the Seventh Fleet in the Far East.

The Second Battalion became the division's Battalion Landing Team upon its recent departure from Okinawa.

The Second Battalion and its supporting units will participate in landing exercises, demonstrations and routine training during the two-month sea duty.

Since their arrival on Okinawa last January, the battalion has taken part in amphibious exercises (near Seoul, Korea, in June), cold weather training (Puji Maneuver Area, Japan, March) and recent counter-guerrilla warfare training in the Northern Training Area of Okinawa.

## Navy training for Dennis A. Lewis

Dennis A. Lewis, 18, son of Mrs. Elizabeth M. Villegas of 788 Bellevue Ave., Daly City, is undergoing nine weeks' basic training at the Naval Training Center, Great Lakes, Ill.

The intensive training includes naval orientation, organization and history, basic military regulations, ordnance and gunnery, seamanship, shipboard routine, damage control, sentry duty and military drill, physical fitness, swimming, first aid and survival.

## Fair prize winners in bakery, textiles

Prize winners included Mrs. Bruce Norton, Ruby Jarrett, Mrs. Rita Angie, Shirley S. Steigerwald.

## LABOR DAY

## The View From Behind the Badge

Written and Edited by Daly City Police Department

A few years ago a television personality advertised to his audience his forthcoming rock and roll party to be held at the War Memorial Building in Daly City. He had a large audience and a lot of the people wanted to buy tickets for the affair. The problem was that someone allowed the tickets to be oversold.

Overselling the tickets resulted in several hundreds of people over the capacity of the building were at the dance. Other hundreds, with tickets, clamored for admittance. Other scores, with and without tickets, roamed the adjacent neighborhoods acting the part of vandals.

The police on patrol that swing watch could not and did not concern themselves with the ethics and philosophies of the situation. Certainly, those with tickets had the right to enter and enjoy, but the peace of the neighborhood and the safety of those same people with tickets made it ridiculous to allow them to enter, even if they would fit.

As a result, officers were assigned to doors and ramps, and people were cleared from these areas. Crowds were moved along on the streets, and more than one fracas was broken up by the harassed officers. At one point a skirmish line was established so that the policemen could move one unruly group completely off the block. There were shirkers and name callers in some of the groups, but the officers did their job calmly and without vindictiveness.

Radio cars with two policemen in each, patrolled the outside in tight circles. Other beats were denuded of protection in order to meet and cope with the emergency. The graveyard watch was called in several hours early for the additional necessary manpower.

The Sergeant and a policeman were patrolling in their radio car, cruising slowly around and around the block. Their patrol was repressive to the outside crowds, as it was designed to be. By and large, at this point, the outside crowds were reasonably good humored. Inside was another matter. Closing time was going to be rough.

A pedestrian waved them down as they second geared up the street. The little man was burdened with a camera and he produced credentials. "I'm a photographer for the Examiner. I was on my way home when I saw this crowd. There might be some good pictures here. How about my riding with you for awhile?"

The man's credentials were undeniable. The man was genuine. The situation was unusual. The officers said something original. "Sure, hop in."

And so they patrolled, as did other radio cars. It began to look as though things were quieting down. Then, a fixed-post officer waved at them and ran into the building. They stopped the car and followed; the little man went, too. Other officers joined. A person was waving a knife in the crowd. He was seized and arrested. He struggled.

Two people shouted "Let's kill the cops." They were grabbed, too. The officers pulled the prisoners through the crowd. They were kicked several times on the way.

Outside, as prisoners and men loaded into the radio cars, the Sergeant spoke to the little man: "Did you get any pictures?"

"No. When the guy shouted 'Let's kill the cop,' I got so mad that I dropped him. I guess I forgot to take pictures."

"The little man was Mike Misura. The Examiner recently ran a story on him concerning the 101st Airborne Division reunion in San Francisco. They called him a soldier photographer then, and he was referred to as the littlest man in the Division. They called him a 'good man.'"

## Something for Everyone

By Samuel Chandler

For Anne Boleyn, Henry VIII cast out his wife of twenty years bringing upon himself and his country the enmity of Ferdinand and Isabella of Spain. For her he denounced his only heir, degraded his best friend, and forced England to break with the Catholic Church. Nine years later, he sent Anne to the chopping block and married another woman.

Once again Anne Boleyn's tragic story has been retold.

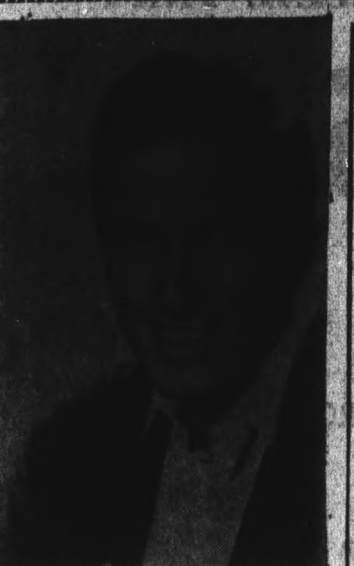

by Nora Loftis. It is a novel where human passions are seen to hold the fate of the people who moved around the royal court and the courtier's daughter. It is bitter sweet; a melodrama with no chance for a happy ending.

Ever since Anne's head fell under the headman's axe, her story has been told and retold with each author picturing the characters as he sees them. Shakespeare told the

cent NBC survey. The network discovered that one out of every four teachers in the nation's elementary schools used the teacher's guide for the excellent children's program "Exploring." The network is now developing guides to supplement two more programs.

Andy Williams

As delightfully casual and charming in person as on television is NBC's talented musical star, Andy Williams, who jetted up to San Francisco last week for a guest appearance on the "Tennessee Ernie Ford" show and to meet the Bay Area press.

He will star in a new NBC color series to be seen on Tuesday evenings beginning in September over KRON-TV.

Discussing the format of the new show he said that they plan to retain the features of last season's program that he liked best including the informal chatter part. In answer to our typically feminine question he replied that "yes, he will continue to wear his sweaters" and since the program is in color will be wearing different colored ones for each show.

Guests on his first show (scheduled for Sept. 24) will be Janet Lee and Art Carney. Since one of his programs falls on New Year's Eve, they are planning a special holiday show with members of his family appearing on including mother, father, brothers, sisters and even nephews.

He began his career with nightclub and theatre appearances with his three older brothers in 1952. Deciding to solo, he went to New York where he was featured vocalist on Steve Allen's "Tonight" show.

Last season marked the debut of his own program over the NBC network, consistently maintaining high ratings. He is also well-known as a recording star with his records selling into the millions.

Certainly indicative of the value of study guides in conjunction with television programs is the results of a re-

story to Anne's own daughter in a play, "Henry VIII." He depicts the accusations and executions that arose as a result of the romance. He paints Henry's first wife as a woman of dignity and resignation.

Maxwell Anderson told it to New York audiences in a beautiful play "Anne of a thousand days." He shows Anne as the victim of a father who for royal favor gave two daughters to Henry—one as a wife, the other as a mistress.

In 1957 Evelyn Anthony told the story in a book that pictures Henry as a sexually inept and naive monster. In E. Barrington's "Anne Boleyn" the heroine is pictured as a hard calculating woman, albeit beautiful and accomplished. In a novel by Margaret Campbell Barnes, Anne's fate and that of her brother and sister is determined by Anne's inability to conclude a love affair with the Duke of Northumberland.

Among other writers who have treated the Anne Boleyn story are Francis Hackett in "Queen Anne Boleyn," Charles A. Brady in "Stage of Fools," W. Harrison Ainsworth in "Windsor Castle," and A. F. Pollard in "Henry VIII."

## Charles MacFerre through training

Charles S. MacFerre, son of Mr. and Mrs. Oscar D. MacFerre of 1560 Higgins Way, Pacifica, completed recruit training July 26 at the Naval Training Center, San Diego, Cal.

During the training, each recruit receives tests and interviews to determine his future training and assignments.

## From A Feminine Viewpoint...

By Mona Baker

Certainly an inspiration to homeowners in the local area are the beautifully landscaped gardens that will be on display in the coming Daly City Garden Club tour. Open to the public (no admission charge) the tour will be held on Sept. 1 from 1 to 5 p.m.

Gardens to be included in the tour include the Frank Ramos, 40 Fairmont Dr., William Huston Jr., 1 Fairmont Dr., Herbert Masters Jr., 75 Garden Grove, James Suscoff, 269 Palisades Dr., Joseph Kusner, 60 Werner Ave., C. J. Dunov, 532 Atlanta St., and P. Hargrove, 107 Village Lane.

We had a chance to take a peek at a couple of the gardens to be shown. Most exotic is the oriental garden of Mr. and Mrs. William Huston with colorful lava rock, tinkling garden pool and oriental lantern. The sweet fragrance of roses filled the air at the magnificent rose garden of Mr. and Mrs. Hargrove with blossoms varying from deep red to brilliant color, each one carefully beled.

One of the most active organizations in the local area is the Daly City Garden Club who have been with activities all summer long. The group had a display garden at the recent San Mateo Fiesta where they won a first place and last week they received a fourth award for their garden on display in the San Francisco garden show which was held in the Hall of Flowers.

Officers of the local group include president, William Huston; first vice president, Mrs. H. Hunter; second vice president, J. P. Hargrove, recording secretary, Mrs. C. M. Yohn, corresponding secretary, Mrs. C. J. Dunov, treasurer, Mrs. L. Ingersol, historian, Mr. C. J. Dunov, and parliamentarian, Mrs. J. H. Kusner.

Meetings the first Tuesday of every month at the War Memorial Center in Daly City the organization will hold their first fall meeting on Sept. 3. Guest speaker will be Hyacinth Smith of the S. F. Begonia Society.

One of the busy workers in the Daly City Garden Club is our community leader this week. She was chairman of the committee for the recent San Francisco flowers Show exhibit, and co-chairman of the Daly City committee for the San Mateo Fiesta. Publicity chairman for the Daly City Garden Club for the coming season, she also assists her husband who heads the organization.

She has modeled in several fashion shows held on the peninsula and wore a hat made completely of fresh flowers at the Hilldale Garden Show.

Besides her garden activities she has assisted with all community fund drives in the local area including the recent cancer drive.

We salute Judy Huston as our community leader of the week. Resident of Westlake for ten years, Judy and husband, William, live at 47 Fairmont Drive.

**FASHION WHIRL:** Wednesday, August 28, is an important date for girls who have been taking sewing lessons at the Singer Sewing Center. All summer long they have been working diligently making dresses and outfits they will model in the annual teenage fashion show. The fashion event will be held at the store at seven o'clock in the evening for parents and friends.

Thirty five girls will be in the show modeling the latest in fall fashions which they have whipped up under the direction of sewing teacher, Mrs. Rose Barnski. Two fashions will be selected as winners to be entered in the regional contest conducted by the Singer Sewing Company.

**NEWS BRIEFS:** Off to Hollywood next week is Ramona Birke to attend the opening of the Ice Follies new season. Daughter, Judy, is one of the featured skaters in this year's revue and will skate in a special opera number with six other girls. Following the program they will attend the reception honoring the Ice Follies troop. The annual affair is quite a glamorous event with many of Hollywood's brightest stars on attendance.

Lake Tahoe is a popular vacation spot for localites. Just back is Sterling's manager, Jack Gioni, and family who spent two weeks at the North shore. Vacationing at Chamberlain Lodge were Bill and Anette Adams and four sons.

## County news notes

# Gambling kibitzer study

It is still okay to kibitz at a gambling table in San Mateo County, but the picture may be changed. The board of supervisors decided to give further study to a proposed ordinance submitted by Sheriff Earl B. Whitmore to make it unlawful to be a visitor at a gambling house. The measure had the approval of the district attorney's office.

Board members felt the law could be too restrictive to the public. It was pointed out that many organizations, including churches, conduct bingo games and that a visitor, whether playing or not, could be arrested and prosecuted. Actually the ordinance was proposed to help clean up the illegal poker games that have plagued officers in many parts of the county.

The board of supervisors is called a meeting for Thursday, Sept. 12, to talk over the three state proposed routes for the western extension of Route 229 between Abilene Highway and Sweeney Ridge. Officials of Pacific, San Bruno and the state highway department have been invited to sit down with the supervisors at 9:30 a.m. to determine the best route. County Engineer Don S. Wilson is arranging the get-together.

The county planning commission has studied the proposed routes and found that any one of the three would fit in with the county master plan. It was agreed that the selection should be left up to

## W'moor Plans Orientation, Testing Session

Entering 9th graders and all other students new to Westmoor High School will meet in the school gymnasium on Tuesday, Sept. 3, at 8:30 a.m. The morning's activity will include welcome by Larry Segel, student body president, and Glenn South, school principal. Briefing on student activities, attendance and discipline procedures, and the school day will be followed by a question and answer session and an informal tour of the campus.

Placement tests and programming are planned for students transferring from other school districts.

the inspector's bureau to replace Craik. John Popple now has his sergeant's stripes with new duty at the honor camp.

The board of supervisors has decided there will be no more allocations from the county road fund to city projects until the overall master plan for construction is worked out on a cooperative basis with the cities. Atherton was the latest to apply, requesting \$50,000 for improvement of Alameda de las Pulgas.

Board Chairman James V. Fitzgerald, who also headed the Greater Highways Committee, opposed any further expenditures out of the \$200,000 set aside for city projects until the city-county plan is adopted. The county is already committed to \$25,000 a year to the Redwood City Five Points project and \$50,000 to the Hillside Interchange in San Mateo.

According to Engineer Don S. Wilson, Belmont has asked for \$25,000 for a Ralston Avenue project and Daly City wants \$35,000 for work at Knowles Avenue. Redwood City asked for \$100,000 for Jefferson Avenue widening and paving.

County councils are hoping city councils will agree to pool gas tax monies which will be increased Jan. 1 with the extra cent tax. If such an agreement is reached projects in the Nolte report will be scheduled on a basis of the most critical need. Belmont city council was the first to give official approval, but other cities have indicated they would go along with the program.

**SHORT NOTES** The board is back at full strength again. Supervisor Alvin S. Hatch of Half Moon Bay was given a tumultuous welcome after an absence of almost five

months due to serious surgery and a long recovery period. At 57, Hatch is the oldest supervisor in the state. Supervisors William Werder and Edward R. McDonald have returned from two-week vacations, but each missed only one meeting.

The supervisors have agreed to spend \$3600 from flood district funds to remove 36 trees on San Francisco Creek. Trees are badly undermined from flood waters and can add to flood dangers. Santa Clara County is carrying out a similar program on its side of the creek. A public hearing has been set for Sept. 10 for rezoning of 10.76 acres for the Westborough shopping center at the junction of Skyline Boulevard and Westborough Boulevard opposite Fleetwood Drive. Hearings will be held on the same date to rezone

parcels in Ravenswood Villas and North Fair Oaks to apartment use.

Robert T. Rognas has been confirmed as the new superintendent of the Glenwood Boys' Ranch. The psychology class at South San Francisco High School has donated \$60 to the Mental Health Division to be used for recreational and occupational therapy. The request of the Daly City Council urging the board to locate mental health facilities in the northern part of the county has been referred by the board of supervisors to next year's budget studies. William C. Hinchcliff, formerly of Glendale, has taken over as area administrator of Civil Defense offices for the county. Civil Defense offices are now located on the second floor of the new county office building in Redwood City.

Patricia Gale Shannon, daughter of Dr. and Mrs. E. P. Shannon of San Carlos, became the bride of Dennis L. Tholen, son of Mr. and Mrs. F. L. Tholen of Daly City, Aug. 3, at 4 p.m. in the Community Congregational Church of San Carlos. The Rev. Lewis Knight officiated.

The bride wore a gown of embroidered silk organza appliqued with flowers and seed pearls and fashioned with jewel neckline and long sleeves. The skirt held out by layers of net and tulle, extended into a chapel train. She carried a cascade of butterfly orchids and stephanotis, gardenias and sweetheart garnet roses with a removable Philadelphia orchid corsage.

Nancy R. Young of San Carlos, the maid of honor, wore cerise silk organza over tulle and carried a shower bouquet of white gladioli flowerlets with pink rose inserts. Pink silk organza dresses and colonial bouquets of white gladioli flowerlets with pink rose inserts were chosen by the four bridesmaids who were Karen Jones, Clydie Robert-

son, Lynn Longueville and Myra Shannon, sister of the bride. The flowergirl, Laurie Tholen, sister of the bridegroom, also wore pink silk organza and carried a white lace basket of pink rosebuds.

The groom was assisted by Albert Cuevas Jr. as best man. Ushers were Thomas Parish Jr., Robert Riley, Gerald Stevens and Michael Shannon, brother of the bride. The bride's two other brothers, Lloyd and Neil Shannon, served as candlelighters. The groom is also the brother of Mrs. Robert Riley of Sunnyvale.

Mahany Hall was the setting for the reception of guests including the bride's two grandmothers, Mrs. E. P. Shannon and Mrs. L. H. Chase, both of San Carlos, and the groom's grandmother, Mrs. E. A. Aldridge of Redwood City. The bride's mother received in a pale green two-piece crepe ensemble with matching accessories. Her flowers were coral orchids. The groom's mother chose a coral sheath of Swiss brocade and pinned on green orchids.

The bride was graduated from Carlmont High School in 1961 and is employed by the Home Insurance Co. of San Francisco. The groom is a graduate of Jefferson High School and is attending College of San Mateo.

## Clippers clinch championship in summer hoop league

The undefeated Clippers won the LONG Division championship in the Daly City Recreation Department by virtue of their 68-35 victory over the Clodhoppers, the Clodhoppers made a game of it for one quarter as they trailed only 13-12 after a scrappy effort.

However, the Clippers' superior board work and shooting ability broke open the game in the second quarter and turned it into a rout in the last half. Willie Jones, 19 points was top for the winners as only one game stands between them and an undefeated season. Al Weaver contributed 14 points to his team's cause. Steve Willis was the top man for the Mission St. five as he scored 12 points in the Clodhoppers' game try.

Other LONG Division action saw the Whalers move within striking distance of second place with an easy 71-54 victory over the Rascals. A Whaler win in their last game will send them into a tie with the Clodhoppers who have completed their season play. Jim Mason was the big gun in the Whalers scoring attack as he pumped through 28 points to pace his team to victory.

Teammates Bill Vince, Mike Frank, and Doug Atkins also scored in double figures to aid the Whaler cause. Bill Wiprecht was the Rascals' top scorer as he had 16 in a losing cause. Captain Dave Breaze continued to impress for the losing team as he scored 12 points.

In a close battle, the Celtics nipped the Rangers 59-55 in other division action. Dan Lewis twice stole the ball in the closing minutes for the winners to help set up clutch baskets as the taller gunners were unable to hit the key foul shots that would have brought victory. Lanky Brent McClaren led Celtic scorers with 17 points as Randy Wil-

is and Mike Cullen scored 15 and 12 each to help their teams efforts. Marty Coli was the game high as he hit for 24 followed by Gerry Mason with 13 and Jim Smith with 12. In the week's last game, the Rams won a forfeit victory from the Gunners.

Despite a 37-22 loss at the hands of the second place Hawks, the league leading Knights retained their hold on first place and by doing so captured the championship in the SHORT Division.

An inspired effort by the Hawks paced by the scoring of Telvis and Melvin Jones and Ron Lowe brought them victory over the cold shooting Knights. Telvis was the game high as he hit 12 points followed by his two teammates with 10 each. Don Cafferetta led the Knight scorers with 6 points. Other division games saw the Linda Mars forfeiting to the Half Pints and the Challengers and Breakers having a double forfeit as neither team could field the required number of players. The Nats behind Tom Wuerthner's 14 points swamped the Breakers 31-13 in a practice tilt.

## Serra Bowl News

With Summer league action at Serra going into its last few weeks there is no better time than right now to sign up for a winter league spot and avoid the disappointment of being left out of a barrel of bowling fun in the new season. Openings are going fast so call WYman 23444 and join the millions now enjoying America's biggest participant sport.

High roller in last week's SCRATCH action was Joe Castinelli who tumbled a towering 220-625 trio for Eakin & Eakin in a 2-1 defeat at the hands of a steadier team No. 3. Bill Raeta was a close runner-up for individual scoring honors with his fine 222-620 shooting and Paul Franke followed third with his 234-607 set.

In 810 SCRATCH competition Ed Michaels Construction team split a match right down the middle with Joe Brandis Ford — each team emerging with 1½ wins to their credit. Earl Friend Sr. tallied high in that loop with his 236-634 trio for the above mentioned "autobowlers."
